*Together We*  
**LIVE UNITED™**

**LIGHTS, CAMERA, ACTION!**

We are very fortunate to live in a great community caring individuals, one in which we can be proud to raise our children, help our neighbors and enjoy one another's company. Our community, like so many others across our land, has been affected by economic challenges that have made life difficult for many of our friends and neighbors.

The Tiffin-Seneca United Way's many agencies offer crucial services that can lighten the load of those who are struggling to make ends meet. We were extremely pleased with the generous response to the local 2009 United Way campaign called "Pulling Together Now More Than Ever...Together We Live United." Our hope for the coming year is that our economy improves and our burdens lessen. Realistically, however, we know that many of the same challenges we faced last year will continue to come our way in 2011. Have our needs lessened? They have not.

However, if we work together, we can continue to make Tiffin and Seneca County a great place to live, work and raise a family.

**WHEN YOU REACH OUT A HAND TO ONE, YOU INFLUENCE THE CONDITION OF ALL!**

**DAY BY DAY, REEL BY REEL**  
**TOGETHER WE LIVE UNITED!**

Our United Way continues to collaboratively work with our community's leaders, businesses and agencies to coordinate services and share ideas that will help improve the lives of those we meet each day.

Your contribution to the Tiffin-Seneca United Way is an investment in the programs our agencies provide to support people in the different stages of life.

Please join us as we work diligently to make a difference in the lives of so many. It's Lights, Camera, and Action as we work day by day, reel by reel, to improve our community and to **LIVE UNITED!**

Patricia J. DeMonte  
Executive Director

As we begin our annual **United Way** campaign, we see both challenges and opportunities ahead of us. Tiffin and Seneca County residents have a tremendous history of stepping up, both in times of prosperity and during difficult economic times, to help their fellow community members. While we hope to see signs of recovery, our 22 United Way agencies are still experiencing cuts in funding while the demand for services is even greater.

**Tiffin-Seneca United Way is made up of caring, compassionate and committed individuals, who give of their time, talents and treasures to help their fellow community members. United Way motivates people to care for one another and take action to increase the community support and resources.**

When you give to United Way, you can make a positive impact in another person's life! You can play a small part in their **LIFE STORY**. Working together, through the United Way, we continue to make lasting changes in our community. **"Day by Day, Community by Community, Together We LIVE UNITED."**
